Celebrating Student Success

Right before Christmas break, CHYBA student, Korbyn Ullevig, completed all of his credits! He did so just in time to move to Arizona with his family. Korbyn has been with us for all 4 years of his High School experience and

completed over 500 hours of community service during his time with us. We miss you already, Korbyn!

Shout out to Chloe Choate and Timothy Kendrick who also recently graduated from CHYBA!

 **CONGRATULATIONS** 

Woodshop Project Of The Month

Monica Oyoque continues to create beautiful woodworking projects in her shop classes. She has honed her skills to a high level of accuracy and is able to produce outstanding pieces. Monica has learned to pay attention to detail and is willing to take the time needed to produce fine work. Her latest creation is this beautiful hexagonal jewelry box!

CHYBA Trout!

This year, CHYBA will once again participate in the California Fish & Game Classroom Aquarium Education Program. Kurt is prepping our tank (thanks, Kurt!) and we should be getting our trout eggs in about two weeks. Check out the program here: wildlife.ca.gov/CAEP

It's National Mentoring Month!

Julianna (L., pictured w her mentor, Haley) says "Having a mentor means having someone to talk to, who understands me... someone who is positive and helps build me up."

Make a lifetime impact and become a CHYBA mentor, contact Kurt Mitchell 530-378-5254, kmitchell@chybacharter.com

COMING TO CHYBA THIS YEAR

Community Garden!

We invite our CHYBA families to take advantage of our garden beds to grow their own organic produce. Space is limited, call the school to reserve your garden bed.
